GOOD TIMES

SUMMER SEASON

NOW IN FULL SWING

AT OCEAN BEACH

The apt slogan adopted by Ocean Beach as "The Playground of San Diego" is amply verified by the large crowds in daily attendance and it is planned to stimulate further interest during the remainder of the season by staging special events of an amusement and spectacular nature. The first of the series will be a "Baby Beauty Bathing Contest" for next Sunday and it promises to be a star event of its kind.

Don't miss it, and bring the baby.

FLIVVERISTS AND FRIENDS

FLOCK TO OCEAN BEACH

The whirring and whizzing of Ford cars of every vintage and description was heard on "Ford Day" at Ocean Beach last Sunday. From early morn till near midnight flivver enthusiasts kept the beach district very lively while auto accessories and useful articles were given away to winners in all sorts of contests held every hour or so throughout the day and evening.

Another gift event was scheduled yesterday when valuable presents were distributed to please visitors of all ages, and the innovation will be repeated every mid-week for the season.

NEW SCHOOL ANNEX

The clink of the trowel and the song of the hammer form a praiseworthy chorus in the construction of the new school annex, which is rapidly rising in the air under the immediate direction of the contractors, A. Some more free dirt can be obtained upon application at the building office.

Hawaiian Honeymoon

Miss Mary Scripps, Beautiful Bride of Gardiner Corey

COREY-SCRIPPS

By Mrs. Lucy B. Woodward

It is always especially interesting to have a wedding of two of our own young folks who have spent practically all their lives in our own community. This was the case in the wedding of Miss Ruth Richert and Mr. Fred Corey a month ago and is now again in that of Miss Mary Scripps and Mr. Gardiner Corey, which was held at St. James-by-the-Sea at La Jolla last Monday evening, July 23. The three families Mr. and Mrs. Scripps, Mr. and Mrs. Richert and Dr. Corey are among those who have been the longest in our neighborhood and so the same company attended both weddings. Miss Scripps and Mr. Corey were also married by Rev. Bedford Jones and Rev. J. W. Millar. She wore a gown of white satin with rose point lace, a veil and scarf of lace held with a spray of orange blossoms and carved ivory comb. Her sister, Mrs. Austin Brown, in lavender crepe chiffon and lavender flowers, was matron of honor. The bridesmaids were Miss Corinne Connell, in apricot colored crepe chiffon, and Miss Edith Jessop, in blue crepe chiffon, both carrying flowers to match their costumes. Little Joe Holloway was train bearer. Mr. Arnot of San Francisco was Mr. Corey's best man. The ushers were Messrs Austin Brown, Ralph Richert and Tudor Scripps.

Following the wedding a reception was held at Brae Mar Manor. The house, grounds and music room being specially decorated for the occasion, the lawn with festoons of red, white and blue lights. Refreshments were served in the dining room and there were bride and groom cakes and other good things. The guests were taken up to see Miss Scripps' varied and beautiful presents. Out in the music room where there was an orchestra of piano, violins, saxophone, and bass viol. Those who wished

danced and others wandered around the beautiful grounds in the moonlight. It had been given out that the newlyweds were to drive north by auto, but some of the relatives being doubtful of the truth of this report went to the Santa Fe depot, where later they were rewarded by the arrival of the newlyweds, whom they greeted with "There Comes the Bride" and a shower of rice. Mr. and Mrs. Corey will spend several weeks in Honolulu and will then be at home at 65 San Pablo street, San Francisco.

The above delightfully intimate description of the recent Corey-Scripps wedding was written last week by our regular Pacific Beach correspondent, Mrs. Lucy B. Woodward, but owing to delinquency in delivery of the mail after arrival at the Ocean Beach postoffice, the manuscript failed to reach The Beach News until Monday of this week. Hence this apology to our valued Pacific Beach clientele, who were deprived of the usual excellent news service furnished each week by Mrs. Woodward. An apologetic explanation is also due the new postmaster at Pacific Beach who had been blamed for retarding the forwarding of the mail, when the fault really laid within the jurisdiction of the Ocean Beach postoffice. Another very important letter, mailed two days before the one above referred to, reached The Beach News from the Army and Navy Academy nearly a whole week late through similar unfortunate circumstances. Both letters lacked sufficient postage, and were found pigeon-holed together when discovered through special inquiry at the Ocean Beach postoffice.—The Editor.

THE SHEPLEYS PLAN

LONG VACATION TRIP

IN HOUSE ON WHEELS

Mr. and Mrs. D. N. Shepley, who have long resided on Saratoga avenue, near the seashore, are planning an extensive vacation trip to Canada in a specially constructed home on wheels. During the week the talented artist-painter C. Townsend Brown, has ornamented the sides of the traveling house with two beautiful scenes painted in oil and representing local views. Both pictures are particularly striking, one descriptive of the breakers at Ocean Beach and the other depicting a mountain vista.

The house is constructed of heavy beaverboard, painted a most agreeable green and the interior contains all modern improvements in the way of built-in features for comfort and convenience. Mr. and Mrs. Shepley have certainly arranged a cozy traveling home for their vacation trip through the northern tier of states, and expect to begin their journey tomorrow.

President Harding Passes Away

Radio advices broadcasted from Los Angeles immediately reached The Beach News office early last night, through the courtesy of R. U. Damon, of 4732 Niagara avenue, announcing the death of President Harding in San Francisco, following an unexpected relapse in his recent sickness.

The president died at 7:30 p.m. from a sudden stroke of apoplexy while his devoted wife sat at his bedside in the hotel reading aloud to him. His last words were "That's good! Go on. Read some more." Then his body shook, he raised his hand slightly, his expression changed instantly and the chief executive of the nation passed to the Great Beyond.

President Harding's remains will be transferred to Washington where they will lie in state and the burial will take place at his home in Marion, Ohio.

Calvin C. Coolidge, vice president of the United States, has been sworn in to assume the duties of president.

GREATLY GRIEVED AND

DEEPLY DISAPPOINTED

BY PRESIDENT'S ILLNESS

All San Diego, including the Beach and Bay districts, has been greatly grieved by the announcement of President Harding's sudden attack of sickness while on his Pacific coast tour and sincere hope is expressed for his speedy recovery. His illness has also caused much disappointment, as it puts to an end one of the greatest programs ever planned in San Diego, a program that would have brought every faction, creed and organization in the city together in an appropriate welcome to the chief executive of the nation.

Mr. Davis is the popular and efficient business manager of the San Diego Army and Navy Academy at Pacific Beach and reports an era of great prosperity for that excellent institution.

"INTERNATIONAL BANKER" A MYTH

Otto H. Kahn Refutes Idea That Foreign Finance Activities Dull Allegiance to America.

BANKING REFLECTS BUSINESS

"International Farmer" and Other Business Men Who Sell to Foreign Markets Create Demand for International Financial Service.

The idea that bankers engaged in financing foreign trade and in handling foreign bond flotations are a particular cult of "international bankers" actuated by motives differing from those of other bankers was refuted recently by Otto H. Kahn of New York, in an address before the Rochester Chamber of Commerce.

"There is no such thing as an 'International Banker' in America, as the meaning of the term is generally understood," Mr. Kahn said. "He exists in the imagination of people all too numerous, but he does not exist in the flesh. You might just as well speak of the 'International Farmer' because the farmer sells a certain percentage of his crops to Europe, or of the 'International Manufacturer'."

"The banker maintains, and can maintain, international contact, and conduct international business, only to the extent that American industry, commerce and agriculture are international. True, the banker must take within his purview continuously the conditions of affairs and the current of things throughout the world, but so must the exporter and importer, and so must the farmer take into account the prices and tendencies of the world market in Liverpool.

Banking Mostly Home Business
"The American banker's market is the home market. His success is conditioned upon the capacity and willingness of the American investor to absorb the securities which he offers. His very existence depends upon the confidence and co-operation of the public and of his fellow-bankers—and any banker whose activities would justify create the impression that he was actuated by cosmopolitan rather than by American interests would very soon lose that confidence and following.

"The business which he does for his own account in, with, or for Europe, is inconsiderable as compared to the business he does in America. His principal functions in relation to Europe are to provide the requisite banking facilities for export and import and for travelers. That part of his functions which consists in financing loans of foreign governments or industries has hitherto been, with sporadic exceptions, of relatively inconsiderable proportions as compared to the vastness of the volume of his transactions in financing American industry, commerce and enterprise.

Necessity for Foreign Credits
"In saying this, I do not mean to imply that there is anything that calls for apology in the floating of foreign loans in America and in the loaning of American funds to Europe, provided such loans are considered sound as to security and are made for legitimate, constructive purposes. Indeed, such loans ought to, and I believe will, be made in increasing measure, when conditions in Europe will have become such as to warrant it.

"It is manifest that the promotion of our export trade, including, of course, the export of farm products, requires us, under the circumstances as they now are and are likely to remain for some time, to add the purchasing power of other nations by extending to them financial facilities to a reasonable extent.

"It is the function of the banker to be instrumental in carrying out such transactions. In doing so, he is the means of serving a useful national purpose, just as he served a useful, indeed a highly important national purpose, in being the means of attracting and bringing European capital to America in former years when conditions were reversed and such capital was nothing less than vital to the development of this country and the realization of its opportunities."

FOR SOUND MONEY

Senator Oddie of Nevada, chairman of the United States Senate commission to investigate the problems of gold and silver mining, has allayed the fear that Western Senators, in their zeal to aid the cause of silver, might launch an unsound money wave. "I am for sound money," Senator Oddie says. "There is no thought of bimetallism or departing from the gold standard. We desire to help the great mining industry, but not through the creation of an unsound currency."

The commission is to study and report on the causes of the continuing decrease in the production of gold and silver; the causes of the depressed condition of the gold and silver mining industry in the United States; the production, reduction, refining, transportation, marketing, sale, and uses of gold and silver in the United States and elsewhere; and the effect of the decreased production of gold and silver upon commerce, industry, exchange and prices.

MOST WELCOME VISITORS FROM THE ANGEL CITY ARRIVE AT OUR HOME

An exceptionally joyful surprise was given Katherine and ye editor on last Wednesday afternoon by the arrival from Los Angeles of Mr. and Mrs. John Snel and their two darling little girls, Ella and Kitty, on a two weeks' vacation visit. Mrs. Snel is the beloved sister of Katherine and she and her family were accompanied on their auto trip south by two mutual friends, Oscar Thim and Joseph Eckhart. The party made a brief pleasure trip below the border, via Tijuana, while Joe and Oscar, jovially known to his familiars as the "King of Sweden," returned to the Angel City the same evening. The "kiddies" are having the time of their happy lives, practically living in their bathing suits, while their mama and dady are thoroughly enjoying the delights of this glorious section of Sunny Southern California.

Brother John Snel is one of the proprietors of the popular King's Dairy Lunch at 515 Main street, Los Angeles, and this is the first real vacation he has enjoyed in many moons, while amiable absent Oscar, the "King of Sweden" has only one regret that he isn't also participating in these blissful hours of ease.

The marriage is announced of George C. Stertz and Constance E. Barret, both of Ocean Beach. The groom is twenty-one years of age and the bride is sweet sixteen.

The wedding ceremony was solemnized by Rev. Wm. F. Dawson, of Mino avenue, at St. Paul's Episcopal church, San Diego, on Tuesday, July 31, at 6:30 p. m. The happy couple are enjoying their honeymoon at Ocean Beach, residing temporarily at Los Nidos Court, on Santa Monica avenue, until they can secure a permanent home here.

Mr. and Mrs. Fletcher Youtz and Mrs. Youtz's grandmother of San Diego are at present residing at 4695 Coronado avenue.

BRIDGE-LUNCHEON AT ALLIGATOR ROCK LODGE

An attractive luncheon and bridge party was given at Alligator Rock Lodge, Sunset Cliffs section, Ocean Beach, last Tuesday by Mrs. E. E. Hendee. The luncheon table was exceptionally beautiful in its decorations of white and lavender cosmos, and the refreshing ocean breeze made an ideal afternoon for bridge. The guests were Mrs. Colton of Los Angeles, Mrs. Strong and Mrs. Shilling of National City and Mrs. Brown, Mrs. Ridabaugh, Mrs. Kirkpatrick and Mrs. Ryan of San Diego.

DOUBLE BIRTHDAYS

DELIGHTFULLY CELEBRATED

Coincident birthdays formed the cause of an enjoyable dinner entertainment by Mrs. J. R. Hamor, last Saturday evening in honor of Mrs. F. B. Saxer. The guests included Mr. and Mrs. F. B. Saxer, Mr. and Mrs. Roy Burkhardt, Miss De Voe, Mrs. F. F. Hamon, Mr. and Mrs. A. W. Brand and Mr. and Mrs. J. R. Hamor. The dining table centerpiece consisted of a huge birthday cake, holding more than three score candles to represent the years of two lives. The company enjoyed an excellent dinner, perfect in appointment. Everything from "soup" to "cig" (meaning "coffee") was as good as the ice cream, except the "corn on the cob" which was better. Small "candelabra" served as guide lights for the guests at seating time.

LADIES—Have you seen those new JAP CREPE DRESSES that have just arrived. If you have not, you'd better hurry while the stock is complete. All sizes, all prices.

THE EDITOR.

OBSERVATIONS.

Editor The Beach News:

Zenas shocked "sumpin' awful" at the army of naked flappers on the beach on that Sunday, fled to the hills, and thought he was safely hidden away from that maddening crowd, and it was mean in B. C. to nose him out. We will forgive G. C. this time, but don't let him do it again. See?

There has been one more curse added to our woes. There is a combination of "airplane and Indian devil" (I suspect Burbank) which now makes the air hideous, so even those that fled from the paths to avoid the racket and be quiet are now persecuted from the air. How would a rifle do?

Mrs. Turske has so far improved that she can do doors.

Seeing a good field for operation, the dog catcher will pay a visit to Ocean Beach in the near future. He would better bring a big van.

RELIGIOUS

FINE CHURCH GROWTH
UNDER PASTORATE OF
REV. ROLLA E. BROWN

On last Sunday Rev. Rolla Earl Brown closed his active ministry as pastor of the Baptist church in Ocean Beach, being granted the month of August as a vacation.

In his closing sermon he referred to some accomplishments of the church during his ministry of three and one-half years. The Bible school has more than doubled in size, the average attendance during the last three months reported being 99, and often being over 100. Church membership has grown from 38 to 67, contributions for the general expenses of the church have more than doubled also, as have the contributions for the missionary and benevolent work outside of this church. A flourishing young people's society has been organized and has done much effective work, and the Woman's Society and other departments of the church have shown a good growth.

Notable above other things has been the building enterprise which has been inaugurated and carried on, culminating in the beautiful new house of worship on which has been expended some \$21,000.

The church is not a self-supporting organization yet, much of the money for both current expenses and for the new building having come from the denomination at large as a result of the Baptist New World Movement. However, over \$5,000 for the new church has been contributed locally. And a promising future is before the church.

There will be services as usual from Sunday to Sunday during the month of August as dvarious ministers will supply the pulpit until another pastor is found. Mr. Brown and family will remain in San Diego for the present.

PORK CHOPS ON ICE

"Jack" Neumont, whom about everybody knows, is the genial and accommodating proprietor of the Ocean Beach Bait House, down on the point where the new rapid transit station will be located—well, the self-same "Jack" is authority for the statement that "Abba Zaza" likes pork chops right out of the refrigerator.

"Abba Zaza" is a pet pelican and is very discriminating in its menu, having a particular fondness for choice live bait, when not purloining special edibles from the Neumont larder. All ye fishermen will now know the reason why your favorite resort may be shy of live bait at times. Charge it up to "Abba Zaza."

COMMUNITY LEAGUE ENTER-
MENT.

The entertainment Wednesday evening was an unqualified success and was attended by nearly all the Pacific Beachites, their relatives and friends. Mr. Harold Hodge accompanied by Mrs. Asher sang an amusing song "Three for Jack," and told some funny stories and later sang another song. Mayor Bacon gave much advice in regard to getting together and working up a community spirit. Mr. and Mrs. Owen sang separately and together, their songs being very much appreciated. Mrs. Owen also accompanied some of the other singers. Miss Dorothy Ruggles who is with the New York Musiv Box Revue and in private life Miss Dot White, niece of Mrs. Brophy, delighted everyone with her beautiful dancing, songs and dainty, modest manners. She was accompanied by her mother, Mrs. White, who also gave much pleasure with a vocal solo and duet with her daughter. Miss Dorothea Lawrence gave a very amusing Dago dialect recitation in costume. Mr. Earl Diercks played several numbers very beautifully on a marvelous home-made instrument whose previous object in life had apparently been to contain coal oil. The Boy Scout troop certainly reflected great credit on Mr. Roffe for the way he had trained them in the principles of Scout law and the understanding of it that they showed in the playlet they presented. Mr. Brophy took part in the playlet and also throughout the whole program caused much amusement by his get-up and witty introductions. The "Houdini" act by Edwin Churchman and Jack Barnes mystified everyone. After the show, punch was served and the evening ended with dancing to the lively music supplied by Messrs Dodge, Chester Dodge, Kelly, Miss Nell Dodge and "every so often" Mr. Samuels. Last, but not least, a satisfactory sum was cleared which is to be used on the erection of the overhead sign and other civic improvements.

DOUBLE CELEBRATION.

A combined birthday party was held at the home of Rev. H. W. and Mrs. Clark Thursday in honor of the birthday of their daughter, Edith, and also Miss Nita Davis, whose birthday is near the same date. Music, games and refreshments combined to make a very pleasant afternoon.

CHURCH NEWS.

Rev. J. W. Millar's sermon Sunday morning was from Jer. 2:13 verse: "My people have forsaken me the living waters and hewed the mout cisterns, broken cisterns that can hold no water." He spoke of the absolute necessity of water for our physical well-being and also of the Water of Life, offered to us "without money and without price" by Him who is the great water carrier for our spiritual well-being and yet we so frequently refuse it.

There was a special meeting of the C. E. Society on Sunday evening.

Mrs. Brown accompanied by her mother, Mrs. Piper, her sister, Miss Piper and two little daughters, was present. She and her husband are industrial missionaries now on their furlough from Santli, India. They are in charge of a boys' school at that place. The little girls were dressed in native Hindu costumes, adding very much to the interest of the occasion. The C. E. society meetings and all others except the mid-week prayer meeting which is in charge of Rev. Mr. Peaus in the absence of Rev. W. W. Millar, will be discontinued during the month of August. The members of the C. E. society decided not to send a delegate to the conference at Occidental College, but instead increase their missionary pledge.

BOY SCOUT TROOP.

The Pacific Beach Boy Scout troop No. 59 in charge of Mr. W. Roff, scoutmaster, and Edwin Churchman who has recently been appointed assistant scoutmaster, went for a hike Saturday. Those who went were Waldo Roffe, Bentley and Edwin Buck, Seth Mitchell, Tommy Richert, Bob Lehner and Donald Staitte. Mr. Roffe and her sister were also of the party.
